## An Open Letter.

SKANEATELES FALLS, N. Y.,

Messrs. Kenyon & Thomas—Please send me as before four dozen of your Dr. Hale's Household Ointment. Since so many have had lagrippe and pneumonia I have had great success with the Ointment. I saved the life of one man with the Household Ointment. He had pneumonia; his lungs were filled up; the doctor said he could not live; he then sent and told me; I at once went with my wife to see the man, taking with me two large boxes of the Ointment. I first gave him a dose internally, then applied it to his chest, covering him with hot flannels. In less than half an hour he began to throw up matter from his lungs. I kept giving him some every half hour. The next morning he could breathe freely. He is now about well and will be at work next week. Truly yours,

Wm. S. HALE.

Supt. of the Weeks Manufacturing Co. This wonderful medicine is sold at South Side drug store.

P. H. CARPENTER.

## Forks of Elkhorn.

Very seasonable.

Peace and plenty doth abound.

We should like to hear from Bridgeport. Awake, O ye correspondent.

Regular services at Buck Run tomorrow at 11 o'clock a. m. and at 8 p. m. Sunday-school at 9:30. All come.

The heaviest rainfall that has visited this section in many years, fell here last Saturday. A regular nubbin stretcher.

A game of base ball was played at Pleasantville between the Elkhorn and Pleasantville clubs, resulting in a victory for the Pleasantville, the score standing 10 to 11.

Mrs. Amanda French, who has been sick recently, has about recovered.

Misses Bettie Jones and Annie South left the first of the week for Jefferson county, where they will remain some time rustication.

Mrs. Eliza Warren and children left last Monday for their home in Louisville, from an extended visit to friends and relatives in this vicinity.

Sow your turnip seed to-day—25th of July, wet or dry.

Our town is rapidly improving in both size and appearance, and in order that all things may work harmoniously we must have telephonic communication, a street railway and electric lights.

Plenies and fairs are claiming the attention of members of our population at this time.

The base ball fever is at blood heat. Our slaughtering firm, Darnell & Co., find it necessary, in consequence of the great demand, to kill three hives each week.

## Behind the Scenes.

On the stage the tinsel, the glitter, the powder and the paint, show forth the most, but step behind the scenes, and you will behold the truth. The chorus girls are not all "fancy paints them," but rather what they paint themselves; just so with many of the flaming advertisements of so-called "catarrh cures." Get back of the scenes, and they are not cures. The real one, and the only remedy that is a cure, is Dr. Sage's Catarrh Remedy. Lift the curtain, and you will find the naked truth to be, that this remedy is the one that cures the worst cases of catarrh in the head, and no mistake. It is also a remedy in all catarrhal conditions, such as catarrhal headache, catarrh of the throat, etc.

## IS LIFE WORTH LIVING?

Not if you go through the world a dyspeptic. Dr. Ackers' Dyspepsia Tablets are a potent cure for the worst forms of Dyspepsia, Indigestion, Flatulency and Constipation. Guaranteed and sold by J. W. GAYLE, Druggist.

## A Sleeping Car Episode.

Mr. and Mrs. Whiffin were on their way to the Hot Springs, where Mr. W. intended to get relief from the rheumatism in his back. On leaving home Mrs. W. prepared for an emergency by taking along mustard for plasters, with which any pains incident to the fatigue of railroad travel might be relieved. At a way station a drunken traveling man boarded the train, and was put in the berth next to Mr. and Mrs. W. by the porter. Shortly after Mr. W. woke up with a dreadful stitch in his side. Like a good, dutiful wife, Mrs. W. arose and went to the lavatory to make a strong, extra strong, mustard plaster with which to relieve the pain for her liege lord. On her return she placed the plaster upon the stomach of the senseless

drummer. Then she went to the lavatory, washed her hands, and returned to her berth, getting into the right position and finding Mr. W. asleep. "The plaster has relieved the pain," said the good woman, and with that thought upon her mind she fell asleep. Nothing disturbed the sleepers except the rattle of the wheels jumping rail joints for some minutes. Finally a loud groan was heard, then these words: "Oh, my stomach, my s-t-o-m-a-c-h, o-h-h-h!" This was followed by "I'll never touch another drop as long as I live. Oh, its burning a hole in me, o-h-h-h-h!"

By this time heads were peering out from behind curtains and the porter was on his way to the traveling man's berth. Of a sudden out came the bed clothes from the T. M.'s berth, and a cry of "Oh, my, there is my stomach! I'm dead!" The exclamation was topped off by the mustard plaster being thrown on the aisle of the car. The porter then grabbed the drummer and shook him until awake.

During the first stages of sensibility he muttered: "Oh, my stomach is gone, gone."

W. L. Coppersmith don't send work to other cities, but does all the instructing to him in his building, 234 St. Clair street. 45-ly.

## DR. ACKER'S ENGLISH PILLS

## FRANKFORT MALE ACADEMY.

FRANKFORT, KY.

A classical and English School for boys and young men. The Third Annual Session begins Monday, Sept. 7, 1891. For terms, etc., address

Andrew Fuller Case, Frankfort, Ky.

## Jett.

We requested our best girl to pray for rain, and it rained, but she didn't pray enough.

Mrs. B. W. Thompson is still right sick, but we are glad to say is improving.

Mr. R. S. Fogg lost his little baby girl last week. This sweet little flower bloomed, faded and died, but there is a blessed spring time coming when she will bloom again to fade no more forever.

Misses Annie Church and Allene Maddox are the guests of Miss Annie Belle Fogg this week.

It has for some time past been the custom of several citizens of color, at Duckert, to visit Frankfort on Saturday, fill up with mean whisky, return to Duckert and make night hideous with their yells and curses, regardless of the feelings of ladies or the sufferings of the sick. On last Saturday night they engaged in a free fight and their oaths and curses we heard a mile away. Patience has ceased to be a virtue, and the citizens of Duckert have determined to move against this howling mob with all the force of the law.

The new Constitution protects labor, equalizes taxation, renders legislation general, condemns the formation of pools and trusts, murders the swindling lottery schemes, and blots out the pro slavery clause from the last of our American Constitutions, and the people will see to its adoption by one hundred thousand majority.

BULLDOFUS.

Watches, clocks and jewelry of standard brand at Coppersmith's, besides sold at deadrock prices. 234 St. Clair street. 45-ly.

Children Cry for Pitcher's Castoria.

## Council Meeting.

MONDAY, July 20, 1891.

The council met in adjourned session.

The minutes of the last meeting were read and approved.

The Mayor's veto of the street railway ordinance then came up, and after considerable debate upon the subject, it was sustained. Yeas 5, nays 4.

Dr. Williams appeared before the council in regard to building a sewer. Referred to finance committee.

Petition from citizens on Onton pike in relation to laying gas and water pipes out that way. Referred to gas and water committee.

Councilman Parsons offered an ordinance to grade and macadamize Short street. Adopted.

M. L. Carmody was granted coffee house license.

The committee to whom was referred a petition in relation to taking a census of the city, reported unfavorably upon the same and the report was adopted.

The council then adjourned.

Engraving of all kinds promptly attended to at W. L. Coppersmith's, 234 St. Clair street. 45-ly.

## A CHILD KILLED.

Another child killed by the use of opiates given in the form of Soothing Syrup. Why mothers give their children such deadly poisons is surprising, when they can relieve the child of its peculiar troubles by using Dr. Ackers' Baby Soother. It contains no opium or morphia. Sold by J. W. GAYLE, Druggist.

## Pronounced Hopeless, Yet Saved.

From a letter written by Mrs. Ada E. Hurd, of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my Lungs, cough set in and finally resulted in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Cough and Colds. I gave it a trial, took in all eight bottles; it has cured me, and thank God I am now a well and hearty woman." Trial bottles free at PHIL. CARPENTER'S Drug Store, regular price, 50c. and \$1.00. 45

## Tamblyn-Pryor.

Mr. Charles K. Tamblyn, of Detroit, Michigan, and Miss Nettie Pryor, of this city, were married Thursday afternoon, at the residence of Major J. A. Penick officiating. The groom is a rising young newspaper man of Detroit while the bride is the only daughter of the late Col. John Polk Pryor. The newly wedded pair left on the 4 o'clock train over the K. Midland road for their future home in Detroit.

## Blood Will Tell.

Of course it will—that is if it is good, healthy blood. It will glow in the cheek, and tell the story of perfect physical health. If it does not, if the complexion is devoid of color, the muscles weak and flaccid, something is wrong, and something ought to be done about it at once, for in such cases delays are dangerous. For torpid liver, "biliousness," and the thousand and one ills to which these conditions of the system lead, there is no remedy in the world equal to Dr. Pierce's Golden Medical Discovery. Boils, pimples, eruptions, scrofulous sores, salt-rheum, and all kindred diseases are cured by it.

## A Success.

The concert given by Prof. Wayland Graham and a corps of amateurs of this city at Newton, Scott county, on Thursday night, for the benefit of the Cherry Spring Presbyterian Church, was a pronounced success. A large audience attended and the receipts were very satisfactory. Those who participated in the concert enjoyed the trip up there and returned highly pleased with the treatment they received at the hands of the audience.

## Meander 1311.

Hon. I. V. Baker, J. Vice Pres't National Breeders Association and owner of Meander by Belmont, writes, "Quinn's Ointment I have used with great success for nearly twenty years and consider it has no equal." The very best in the country endorse this preparation.

## Base Ball.

The ROUNDABOUT and Capital nines will play a game of ball at Lake Park this afternoon. The Capitals have on their war paint and want our scalps.

The Crutcher & Starks Club left Tuesday morning for a short tour. Tuesday afternoon they played at Versailles and were defeated by the club at that place, the score standing 6 to 5 at the close of the game. Quite a number of our citizens went up to witness the game. Wednesday the C. & S. played the Nicholasville club, defeating them by a score of 12 to 1. Thursday they played the Harrodsburg nine, the score standing 8 to 7 in favor of the C. & S. at the close of the game.

Yesterday afternoon they played the club at Lawrenceburg.

Col. D. C. Crutcher received a telegram Thursday from Mr. J. C. Chapman, manager of the Louisville Base Ball Club, of the American Association, wanting to arrange for games here on the 30th and 31st.

Arrangements are about completed for the organization of a base ball club in Georgetown. Most of the money has been subscribed, the grounds secured and the suits ordered.

The Nicholasville Democrat gives the following account of the game there on Wednesday:

The Frankfort Base Ball Club played Nicholasville Club at the Fair Ground Park Wednesday afternoon. There was a large crowd present. Our boys played in hard luck, the Frankforts making 10 runs in the first three innings. The home team hit the Frankfort pitcher for seven hits, while the Frankforts only got in six hits on Bryan. The Frankforts only made one error, while our boys made ten. The game after the third inning was very exciting, Nicholasville and Frankfort getting in only one each. Roxie Davs, of the Lexington Club, caught for the Frankforts. Nicholasville played all home talent. Catcher Buford, the home team, was unable to hold Bryan, who was a little wild.

## A Fatal Mistake.

Physicians make no more fatal mistake than when they inform patients that nervous heart troubles come from the stomach and are of little consequence. Dr. Franklin Miles, the noted Indiana specialist, has proven the contrary in his new book on "Heart Disease," which may be had free at J. W. Gayle's who guarantees and recommends Dr. Miles' unequalled New Heart Cure, which has the largest sale of any heart remedy in the world. It cures nervous and organic heart disease, short breath, fluttering, palp or tenderness in the side, arm or shoulder, irregular pulse, fainting, smothering cough, etc. His Restorative Nerve cures headache, fits, etc. 2

## To Fill the Vacancy.

Squire C. W. Threlkeld having moved out of the county and resigned, an election has been ordered to be held for a justice of the peace in district No. 2—Forks of Elkhorn and Switzer precincts—on the first Monday in August to fill the vacancy.

## Shiloh's Consumption Cure.

This is beyond question the most successful Cough Medicine we have ever sold, a few doses invariably cure the worst cases of Cough, Croup and Bronchitis, while its wonderful success in the cure of Consumption is without a parallel in the history of medicine. Since its first discovery it has been sold on a guarantee, a test which no medicine can stand. If you have a cough we earnestly ask you to try it. Price 10c., 50c. and \$1. If your lungs are sore, chest or back lame, use Shiloh's Porous Plaster. Sold by J. W. GAYLE. 37

## The Machinery Here.

The machinery for the new elevator at the coal yard of Messrs. Gaines & Son is being put in and will be in operation in a few days. It will be one of the best coal elevators in the State when completed.

## Oh, What a Cough.

Will you heed the warning; the signal perhaps of the sure approach of that more terrible disease Consumption? Ask yourself if you can afford, for the sake of saving 50c., to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves croup and whooping cough at once. Mothers, do not be without it. For lame back, side or chest use Shiloh's Porous Plaster. Sold by J. W. GAYLE. 37

Castoria cures Cough, Constipation, Sour Stomach, Diarrhoea, Eruption, Kila Worms, gives sleep, and promotes all infantile ailments. Without injurious medication.

### It Should Be In Every House.

J. B. Wilson, 371 Clay St., Sharpshooter, Pa., says he will not be without Dr. King's New Discovery for Consumption, Coughs and Colds, that he cured his wife who was threatened with Pneumonia after an attack of "LaGrippe" when various other remedies and several physicians had done her no good. ### Eminence Fair.

Quite a number of the horsemen from this county have been attending the Eminence Fair this week. Several horses from this county started in the races there but none of them showed up well at the finish.

### New Book.

Mrs. Eudora L. South, of this county, has just published another of her interesting works, entitled "Luther in Rome," which is a translation from the German of Levin Schucking. Rev. Dr. McCosh says, "It ranks with the greatest romances of the day."

When Baby was sick, we gave her Castoria.  
When she was a Child, we cried for Castoria.  
When she became Miss, she clung to Castoria.  
When she had Children, she gave them Castoria.

### A Good Score.

At the weekly shoot of the Spring Hill Gun Club on Friday afternoon of last week, Mr. John C. Mastin made the best score ever made on the grounds, breaking thirty clay pigeons, the whole number shot at—eighteen single and twelve double birds.

### Meets August 19th.

Franklin Baptist Association will meet with South Benson Church, near Bridgeport, on the 19th of August, and will remain in session two days. In our religious column last week the printer made us say the Association met on the 10th and continued in session three days, which was error.

### Changes of Climate.

Kill more people than is generally known. Particularly in this case in instances where the constitution is delicate, and among our immigrant population seeking new homes in those portions of the West, and where malaria and typhoid fever prevail at certain seasons of the year. The best preparative for a change of climate, or for a safe and healthy change of residence, is Hostetter's Stomach Bitters, which not only fortifies the system against malaria, a variable temperature, damp and the debilitating effects of tropical heat, but is also the leading remedy for constipation, dyspepsia, liver complaint, bodily troubles, especially apt to attack travelers and visitors to regions near the equator, mariners and tourists. Whether used as a safeguard by sea voyagers, travelers by land, miners, or of agriculturalists in newly populated districts, this line specific has elicited the most favorable testimony.

### Enlarged and Improved.

Mr. H. G. Matern is putting some handsome improvements upon his photograph gallery, on Main street. He has rented from Mrs. Duval the two front rooms over Guy Barrett's news depot, which adjoin his gallery, is fitting them in elegant style for reception rooms, and has cut a door between them and the skylight room. The old reception room has been converted into a dark-room with work shop and the skylight room has been enlarged and will be greatly improved. When all the improvements are completed the Capital Art Gallery will be as handsome photo-

graph gallery as there is in this section.

There will be two entrances—the stairway to the old gallery and the one which leads up to the new reception room—so that he can catch customers "a comin' and a gwine."

Ayer's Hair Vigor has no equal in merit and efficiency, as a hair dressing and for the prevention of baldness. It eradicates dandruff, keeps the scalp moist, clean, and healthy, and gives vitality and color to weak, faded, and gray hair. The most popular of toilet articles.

### Balloon Ascension.

There will be a grand balloon ascension from Lake Park this afternoon. He is by Onward and it is expected he will enter the thirty list this season. He will start at the Lexington and other fairs in this section and also at Lexington in October.

### Answer This Question.

He was arrested near Altoon that afternoon by Mr. Sam Marrs, taken to Lawrenceburg and put in jail. That night three officers from Shelbyville went to Lawrenceburg and started to take Pulliam back with them in a surry, and when a short distance from Altoon they were stopped by a mob of some three hundred men, the negro taken from them and hanged to a tree. The whole thing was quickly and quietly done and the mob silently dispersed to their homes.

## FRANKFORT ROUNDABOUT.

Entered at the post-office at Frankfort, Kentucky as second-class matter.

WED. A. LEWIS, Editor and Publisher.

FRANKFORT, JULY 25, 1891.

### It Will be Adopted.

Within the next ten days the free people of Kentucky will march to the polls in solid columns, from the mouth of the Big Sandy to Hickman, and in spite of the opposition of the railroads and banks and lotteries and other combines and corporations who claim to be their masters, will adopt the new Constitution by such an overwhelming majority as has not been given by any measure since Kentucky was a State. From present indications, in the rapid growth of its popularity, it would not surprise us if all the banks and corporations and lottery companies combined should fail to carry five counties out of the entire 119 against it. The fight is already over, and the people, for whom the new Constitution was especially framed, are the victors as they always should be in a conflict with the powers that have oppressed them. Louisville is likely to give the new Constitution a majority of honest votes ranging anywhere from 2,500 to 10,000. Lexington and Fayette county will probably swing into line with 3,000 majority. McClesney, of Paris, says count on Bourbon for a majority of 2,500, and Capt. Sam Gaines, of Mason, says you may count Mason for 4,000 majority. The mountains and all Eastern Kentucky will be nearly solid, and Central and Western Kentucky will likely swell the general majority to over 100,000. Franklin county alone is likely to give 3,000 majority, and a man who has looked carefully over the field predicts that Anderson, Franklin, Woodford, Scott, Shelby and Bourbon counties united will give over 10,000 majority which will be more than double the entire majority of all the counties that may be scared or hoodwinked or purchased by the corporations to vote against it. After the 3d of August the friends of the people can truly say, in the appropriate language of Commodore Perry in reporting his great victory on the lakes: "We have met the enemy and they are ours."

### We Must Continue to Walk.

At the meeting of the City Council on Monday evening the Mayor's veto of the ordinance extending the time in which the Capital Railway Company was to construct a street railroad in this city, was sustained. Those who voted for the passage of the ordinance, the objections of the Mayor to the contrary notwithstanding, were, President Stanton, Councilmen Richardson, Parsons, Payne and Tobin, while Councilmen Church, Darnell, Gaines and Shaw voted in the negative. As it was necessary to have a two-thirds vote in favor of the ordinance to pass it over the Mayor's head it failed, and Frankfort's chances for a street car line vanished, for some time at last. Parties who professed to know, claimed that three companies beside the Capital Railway Company were ready and anxious to put in a road here, in case the extension was not granted, and now is the time to trot them out. A charter, granted to Mr. E. P. Bryan and others several years ago—the existence of which we had lost sight of—can be had by any company who will agree to build a road, for the asking, and that of the Capital Railway Company can doubtless be obtained, so here is your chance, gentlemen, who who professed to want a road but did not want the time of the Capital Railway Co. extended.

A majority of the people of Frankfort want a street car line and want it bad, but we very much fear they will continue to walk for a long time, as the buzz of the electric car is not likely to be heard on our streets in the near future.

### Double-Headed Snake.

On Thursday of last week, a colored man was cutting oats on the farm of Squire T. N. Sullivan, near Peak's Mill, when a large cow sucker snake raised up in the oats and struck at him, and he cut it in two with the cradle blade. Eighty-three young snakes, about eight inches long, came out of her body and were

and two mouths. It was as lively as a cricket and doubtless would have lived and grown to the same length as the mother snake, which was four feet long. Mr. Joe Tyler has preserved the curiosity in alcohol and had it in town on Saturday.

### A Valuable Instrument.

Mr. Louis Harris was so fortunate as to find in the possession of an old colored man a genuine Stadavarus violin, which he purchased at a reasonable price and of which he is very proud, as they are exceedingly scarce and very valuable. Leading musicians who have examined the instrument pronounce it genuine.

### Further Hearing.

Major D. W. Lockwood, U. S. Engineer in charge of the Kentucky river, and two other officers of the Engineer Corps, will be in the city on Friday next, the 31st, and sit as a commission for the purpose of hearing any additional argument the city and county officials may wish to offer why the St. Clair street bridge should not be raised. The sitting will be held at the Custom House.

### Foot Cut Off.

Mr. Charles Southworth, a brakeman of the Kentucky Midland Railroad, while engaged in coupling cars at Elkhorn Station, Monday morning, slipped and his left foot was caught under the wheels, mashing the toes off. He was brought to this city, where he received medical attention and it found necessary to amputate the foot at the instep—the operation being performed by Drs. Hume, Price and C. B. Chinn Tuesday morning.

### To Be Built at Last.

We have it straight from Capt. J. M. Thomas, one of the directors of the Kentucky Midland Railroad, that the directors have made a deal with Capt. Anderson, a large contractor of Chicago, in which he is to push the road to Salt Lick Station as speedily as possible.

Capt. Anderson has 400 miles of railway under contract—principally in the South—and has gone to Mobile, Ala., to recall a large force of hands, and will at once put them to work on the Midland.

We understand that it is definitely settled that the road will be built on what is termed the upper route, leading off from the K. C. Junction through the farms of Messrs. J. E. and C. M. Clay and crossing Stoner and running to the suburbs of North Middletown on the Eastern portion of the town.

The right of way will be secured on the condemnation plan as speedily as possible, where it cannot be obtained by purchase.—*Bourbon News.* The above reads very nice, and we wish it was true, but the Vice President and other officers of the road, whose headquarters are in this city, know nothing of the deal.

### An Aged Colored Citizen Gone.

Rev. Henry Samuel, one of our oldest and best known colored citizens, passed away on Friday night, after a short illness, aged 81 years. He was born a slave in Scott county, and when a young man purchased his freedom from his owner. Mr. Carter, father of Mr. Albert Carter, of Switzer, came to this city and opened a barber shop, which he continued to run for 59 years—his shop remaining for over half a century on St. Clair street—and he was one of the most rapid and best workmen in his line.

For long years he had been a devoted member of the Baptist Church and was a preacher of that denomination, though he never had a charge.

In the days of the old volunteer fire department, when every citizen was expected to lend a helping hand to subdue the flames, he was always one of the first to a fire and never failed to work hard and skillfully to save property from destruction, no matter how wealthy or humble the owner might be. He was a quiet, good citizen, and by hard work and economy had accumulated considerable property, but of late years, through misfortune, had lost the greater part of it.

He went to his grave respected by both white and colored, and his funeral, which took place from the First Independent Baptist Church Monday morning, was very largely attended, the procession which followed his remains to the Cemetery being one of the longest ever seen in this city.

## Frankfort Honored Again.

All our people remember Ed. Chiles, the oldest son of the late W. C. Chiles, and brother of Mrs. John L. Scott, who was for some years a druggist's clerk in Frankfort and afterwards a druggist in Philadelphia. His only son, Walter C. Chiles, now about 20 years old, learned the printing business preparatory to becoming an editor and literary writer. A large number of boys of his age throughout the United States some years ago formed what they called an Amateur Association for the purpose of starting a literary paper and learning to write graceful editorials in order to improve their talents in the editorial line. They held their annual meeting in Philadelphia a few weeks since, which was largely attended by members from the various States, from Maine to Texas. When they came to elect their principal editor for the ensuing year, which office was considered the post of honor for the association, there were various candidates for the much coveted position, but young Walter Chiles bore off the prize easily, receiving 60 votes out of the 88 votes cast. The friends of Dr. Edward Chiles in this part of Kentucky will naturally feel like congratulating the former Frankfort boy on the distinguished honor which has been bestowed upon his promising son. The boy raised in Frankfort reflects credit upon his native place no matter where he goes, and in this characteristic he illustrates the beautiful thought expressed by the poet in describing the sea shell.

"You may take it away from its home on the sea,  
But wherever it goes it will sing of the sea."

### The Political Pot.

The political campaign goes merrily along and the woods are full of speakers in this section. On Wednesday a big Democratic barbecue took place near Peak's Mill, at which Geo. Buckner and Hon. G. M. Adams spoke in the morning and in the afternoon Hon. Chas. J. Bronston, of Lexington, Hon. Jerry South, of Arkansas, and Gen. P. W. Hardin spoke for the Democrats and Mr. J. H. Davis, of Texas, for the People's party. Mr. Davis asked for a division of time and was given the first hour after dinner and was answered by Mr. Bronston. A large crowd was present and everything passed off pleasantly.

At night Mr. Davis spoke in the village of Peak's Mill and challenged any Democratic speaker to a joint debate, which Hon. Jas. Andrew Scott accepted and the two had a tilt. Mr. Davis spoke in Louisville yesterday and then left for his home in Texas.

Last night Hon. W. C. P. Breckinridge spoke at the Court House to a large crowd and to-day will speak at the barbecue at Bald Knob.

Hon. Henry H. Huston, Republican candidate for Lieutenant Governor, will speak at the Court House Monday afternoon at 3 o'clock.

#### Kicked in the Face.

Mr. Sherman Kay, of Bellepoint, was kicked in the face by a horse Monday morning. Both jaw bones were broken and his face badly cut.

#### Hand Mashed.

Little Charley Noonan, an employee of the Capital office, had his right hand caught between the bed and platen of a job press he was feeding Monday, mashing it very badly. The palm of the hand burst open for considerable length, but fortunately no bones were broken and he will soon be all right again.

Mr. John Carpenter, of Goodland, Ind., says: "I tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, for diarrhoea and severe cramps, and pains in the stomach and bowels with the best results. In the worst cases I never had to give more than the third dose to effect a cure. In most cases one dose will do. Besides its other good qualities it is pleasant to take." 25 and 50 cent bottles for sale by J. W. Gayle.

#### The Chief Justice for It.

Chief Justice Holt was interviewed by a reporter of the Lexington Transcript and that paper gives the following account of the conversation:

A Transcript reporter yesterday met Judge W. H. Holt, of the Court of Appeals, at the Phoenix Hotel. Judge Holt is a cultivated and genial gentleman, and after a courteous greeting the Transcript man settled down in a chair beside him and inquired his opinion of the new Constitution. Judge Holt said he had not read the new instrument entirely through, but as far as he had done so he liked and commended it. He was like an old farmer friend of his, who said he was at first opposed to the document, because he heard there was too much in it. But he had afterwards read it, and while it was a little voluminous, it was almighty good reading.

Most of his property was in bank stocks and his real interests would seem to be opposed to the new instrument. But he did see the fairness and equitableness of a man, who owned a little house paying State, county and municipal taxes, when a bank paid but 75 per cent. on the hundred dollars, in lieu of all other

taxes. He was not opposed to corporations when they remain in due bounds, but aggregated capital was naturally aggressive and at times overbearing, and men in corporations do not always take the same view of the right, seeming to think others legitimate prey.

"How about the difficulty of amendment, Judge?"

"I think," was the reply. He was of the opinion that, while the new instrument said only two amendments could be passed at a session, the clause might be more liberally interpreted. He thought it might be considered by departments, and several amendments under each department head passed at a session. For instance, one amendment might be for the legislative, and the other for the judicial department, and several amendments be passed under each head.

Judge Holt had no doubt that the new instrument would be carried by a large majority, unless a large amount of money was used against it, in which case it would make the fight closer.

During the epidemic of flux in this county last summer, I had hard work to keep a supply of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand. People often came ten or twelve miles in the night to get a bottle of the Remedy. I have been selling patent medicines for the last ten years and find that it has given better satisfaction in cases of diarrhoea and flux than any other medicine I have ever handled.—J. H. Bonham, Druggist, Golconda, Pope Co., Ill. Over five hundred bottles of this Remedy were sold in that county during the epidemic referred to. It was a perfect success and the only remedy that did cure the worst cases. Dozens of persons there will certify that it saved their lives. In four other epidemics of bowel complaint this remedy has been equally successful. 25 and 50 cent bottles for sale by J. W. Gayle.

#### Death of Col. Pryor.

Col. John Polk Pryor died at his home in this city on Friday night of last week, after a brief illness with cholera morbus, aged 65 years. Previous to the war Col. Pryor resided in Memphis, where he edited the Eagle and Enquirer, and afterwards published a paper at Holly Springs, Mississippi. During the war he was a soldier in the Confederate army under General Forrest, and took part in most of the engagements fought by that celebrated officer. While in the army he hauled a press and sufficient printing material around with the command to publish a paper whenever in camp long enough to get it out.

At the close of the war he wrote and published the life of Gen. Forrest. About 1870 he purchased the old Woodbridge farm, near Benson, and removed to this county.

For several years thereafter he was editor of the Frankfort Freeman, for a time was clerk in the office of the Commissioner of Agriculture under Hon. John F. Davis, and later published a paper in Texas devoted to the interests of agriculture. He leaves a widow, who within the last few years has met with the great misfortune of losing her sight, and a daughter and son—Miss Nettie and Mr. Richard Pryor to mourn his loss.

The funeral took place Sunday afternoon from the Episcopal Church and the remains were laid to rest in the Cemetery.

#### How to Succeed.

This is the great problem of life which few satisfactorily solve. Some fail because of poor health, others want of luck, but the majority from deficient grit—want of nerve. They are nervous, irresolute, changeable, easily get the blues and "take the spirits down to keep the spirits up," thus wasting money, time, opportunity and nerve force. There is nothing like the Restorative Nervine, discovered by the great specialist, Dr. Miles, to cure all nervous diseases, as headache, the blues, nervous prostration, sleeplessness, neuralgia, St. Vitus' dance, fits, and hysteria. Trial bottles and free book of testimonials free at J. W. Gayle's.

#### Shiner Skipped.

On Friday night of last week George Isom, a moonshiner confined in the jail in this city, who together with a number of others was allowed to go into the front part of the third story of the jail by Jailer Williams, managed to get through the trap door upon the roof and concealed himself until the others were called down to be looked in their cells. Later in the night he came down and by means of a bed slat prized the bars at a window far enough apart to squeeze through, let himself down by means of a rope made from blankets and sheets taken from a bed and skipped out. Saturday morning he showed up at Lawrenceburg where he tried to get a check drawn upon the Bar-boursville Bank cashed for fifteen dollars, and while so engaged he recognized City Marshal Mase Williams, who had gone in pursuit of him, upon the streets, and left immediately for Tyrone, where Marshal Williams soon located and captured him. He was brought back to serve out his sentence and will hardly be given any more privileges because of the jail by our kindhearted Jailer.

Use it in every sick-room. Will keep the atmosphere pure and wholesome; removing all bad odors from any source. Will destroy all Disease Germs, infection from all Fevers and all contagious diseases.

Like another woman

—the one who's used Dr. Pierce's Favorite Prescription. She's a stronger and a happier woman—and a healthy one. The aches, pains, and weaknesses, that made life miserable are gone—the functional disturbances or irregularities that caused them have been cured. Face and figure show the change, too. Health has restored the charms that rightfully belong to her. For all the weaknesses and ailments peculiar to womanhood, "Favorite Prescription" is a positive remedy. No other medicine for women is guaranteed, as this is, to give satisfaction in every case, or the money is refunded. It's proprietors are willing to take the risk. What it has done, warrants them in guaranteeing what it will do. It's the cheapest medicine you can buy, because it's guaranteed to give satisfaction, or your money is refunded.

You only pay for the good you get. Can you ask more? That's the peculiar plan all Dr. Pierce's medicines are sold on.
